

## ELEVATE YOUR BEVERAGE PACKAGING

We specialize in managing complexity at speed — turning artwork quickly, adapting to changing demand, and delivering a service experience that sets us apart. Whether your products are chilled, shelf-stable, or powdered, Fortis ensures your packaging looks exceptional and runs flawlessly.

### VERSATILE PACKAGING SOLUTIONS

**Shrink Sleeves**—Deliver 360° branding and tamper-evident security with high-impact graphics that hold up in coolers and on crowded shelves. Perfect for bottles, cans, and multi-packs.

**Folding Cartons**—Premium secondary packaging for multi-packs and club-store formats— engineered for strength, structure, and standout branding.

**Pressure Sensitive Labels**—Durable, moisture-resistant labels for bottles, cans, and PET containers. Achieve vibrant color, specialty finishes, and fast application speeds with Fortis applicator systems.

**Stick Packs**—Ideal for hydration, electrolyte, and powdered beverage mixes, stick packs offer precise dosing, portability, and premium shelf appeal. Fortis provides custom barrier films, easy-tear, and high-speed print capabilities.

**Flexible Packaging**—Lightweight and protective options for refills, concentrate pouches teas, and on-the-go beverage applications. Designed for sustainability and convenience.

## FORTIS KNOWS BEVERAGE

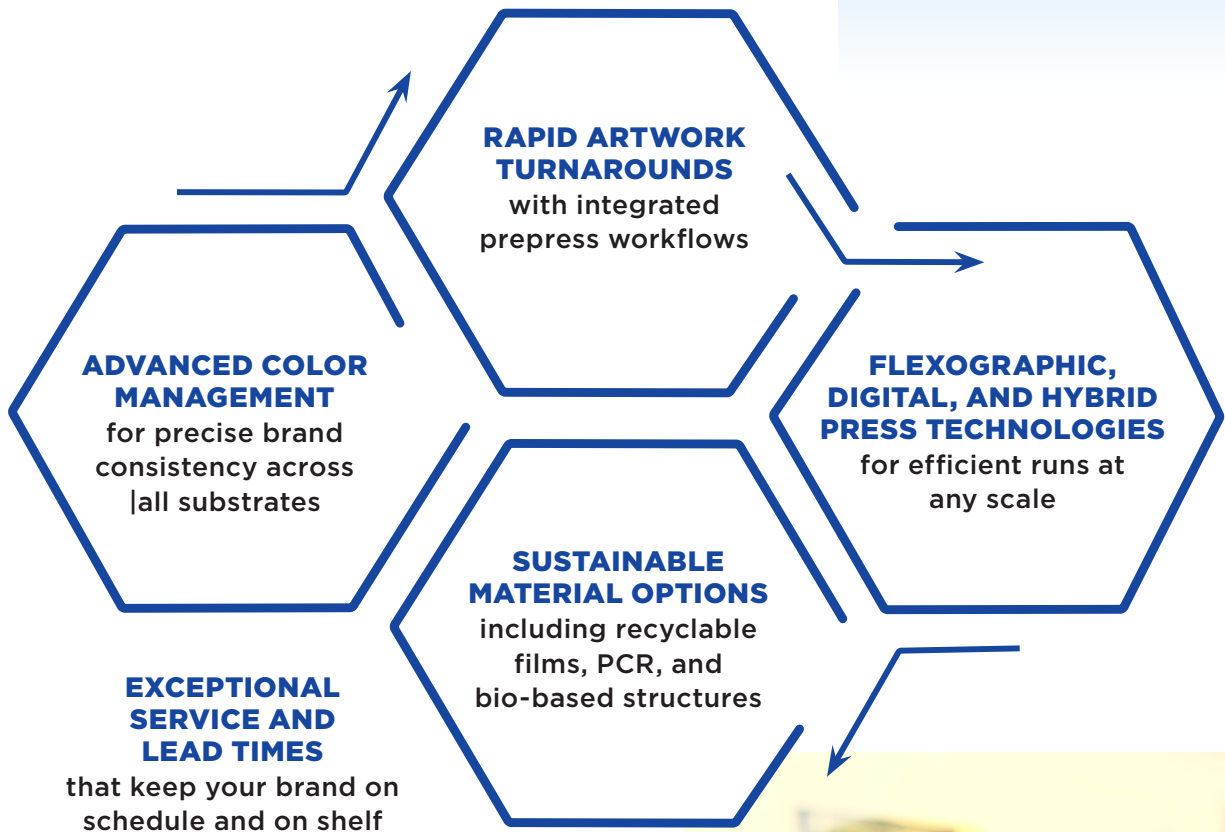

In the fast-paced Beverage industry, packaging must be as dynamic as the brands it represents. From energy drinks and RTDs to hydration powders and mixers, Fortis Solutions Group helps you move fast, stay flexible, and deliver packaging that performs under pressure.
