

EXTENDED CONTENT LABELS

EXTENDED CONTENT LABELS & BOOKLET SOLUTIONS

Fortis Solutions Group offers innovative booklet and extended content labeling solutions using **Flexo, Digital, and Hybrid Digital printing technologies**. Perfect for meeting regulatory, promotional, or multilingual labeling needs, these labels offer extended space without sacrificing branding or design.

MARKETS FOR PRODUCT LINE

Our ECL and booklet solutions are designed for complex packaging needs across key markets:

Pharmaceutical & Nutraceuticals

Perfect for supplements and vitamins adding space for regulatory and multi-language compliance with durable booklets and multi-ply labels.

Food & Beverage

Promotional neck hangers and peel-and-reseal labels for clean design and interactive features.

Health & Beauty

Perfect for cosmetics and lotions with space for ingredients, directions, barcodes, and safety claims with metallic inks, die cuts for unique shapes and more.

Household & Industrial

Durable, chemical-resistant solutions for safety instructions, compliance, and extended content.

WHY CHOOSE FORTIS SOLUTIONS GROUP?

Advanced Printing Capabilities

Printed with Flexo, Digital, and Hybrid Digital presses, including high-opacity white for superior image quality.

Diverse Booklet Formats

Folded, glue-bound, or stapled booklets tailored to your product and regulatory needs.

Easy Release Technology

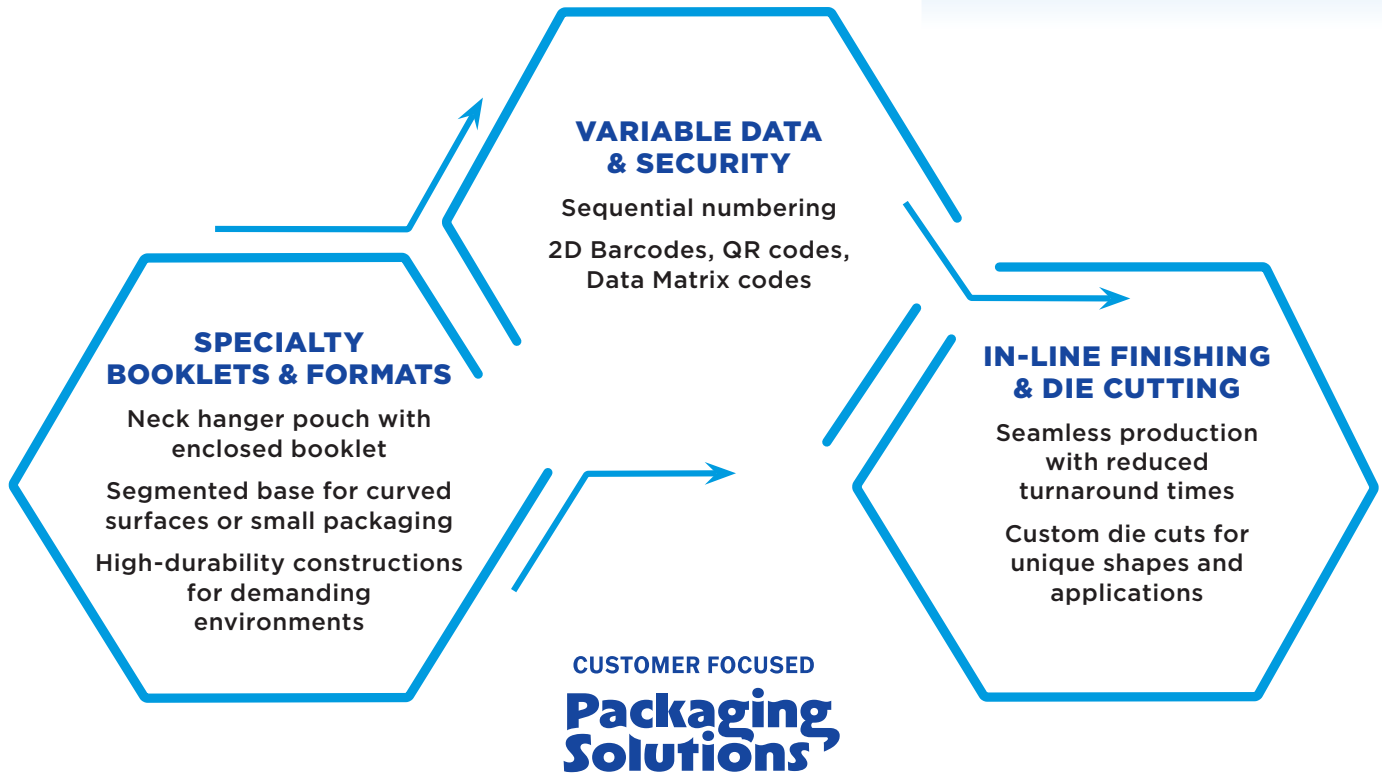

Clean, user-friendly peel & reseal for 2-ply, 3-ply, and overwrap labels.

Custom Engineered Applications

Segmented base booklets for small diameter containers and neck hanger pouches with embedded booklets.
