

## ONBOARDING MADE SIMPLE

Our onboarding support is designed to make your experience with Fortis Solutions Group as seamless and stress-free as possible. We combine responsiveness, attention to detail, product knowledge, and comprehensive project management to ensure your satisfaction from day one.

### COMMUNICATING SUCCESS

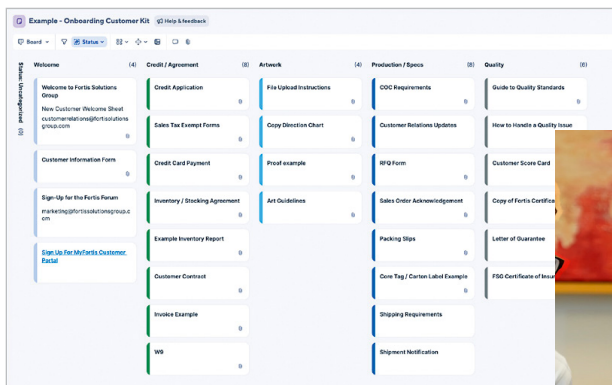

At Fortis, we pride ourselves on being a nationwide leader in packaging from pressure sensitive labels to shrink sleeves, multi-ply coupons to flexible packaging, extended content booklet to pouches, folding cartons, and even label applicators, we have you covered. But what really sets us apart is our onboarding support once you have selected Fortis as your packaging partner.

**Transition Tools:** We provide a single point of contact to ensure smooth communication, streamline interactions, and provide a fully customizable process tailored to your unique needs. Experience real-time status updates to keep you informed at every step.

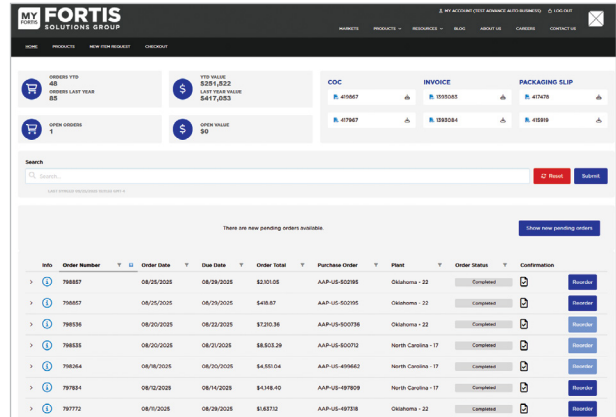

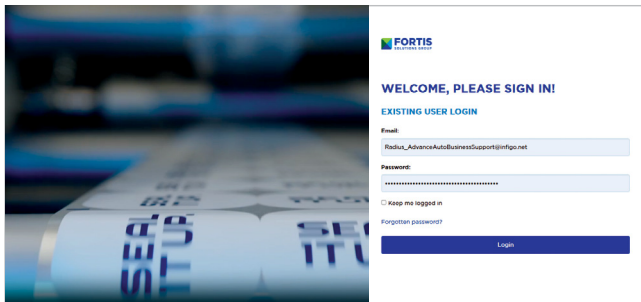

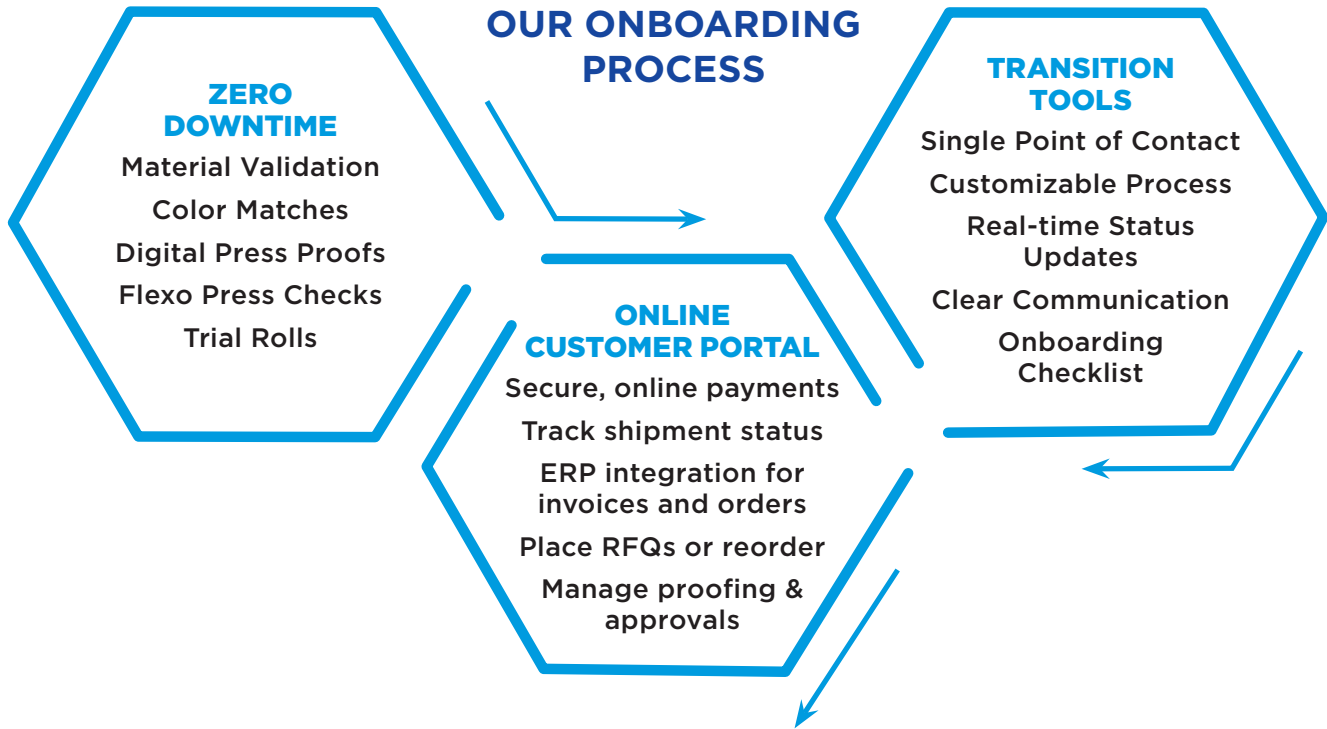

## WE TAKE CARE OF THE DETAILS.

Every project we handle is meticulously planned and executed. We understand that the small details can make a big difference in your experience, and we ensure that nothing is overlooked.

Up-to-date information on your product status and project timelines is shared using cloud-based tools. We keep track of the details for you, and effectively being part of your team.

To ensure you experience no interruption to business continuity, we provide material validation, color matching, digital press proofs, flexo press checks, and trial materials before moving to full production.
