

RETAIL-READY

FORTIS RETAIL-READY SOLUTIONS

FOLDING CARTONS THAT DO MORE.

At the heart of our retail-ready portfolio are Folding Cartons—engineered for performance, precision, and presentation.

Fortis folding cartons are designed to:

Open fast and stock easily with tear-away and perforated features that reduce labor on the floor.

Transition seamlessly from shipper to display, eliminating extra handling and repacking.

Stay shelf-tight with durable materials that hold structure and protect product integrity.

Showcase your brand through high-impact printing, coatings, and embellishments that keep your product looking its best—box after box.

A PARTNER BUILT FOR SPEED AND SERVICE

Fortis excels at **managing complexity at speed**—turning artwork quickly, coordinating multiple components, and delivering a superior service experience that sets us apart. Our integrated design-to-delivery model ensures every project meets retailer, logistical, and sustainability standards—on time and on budget.

SIMPLIFY STOCKING. STRENGTHEN SHELF IMPACT.

In retail, speed and efficiency make the difference between a full, organized shelf and an empty one. Fortis Solutions Group helps brands and retailers save time, reduce labor, and improve on-shelf presentation with retail-ready packaging designed for efficiency from the start.

Our solutions are built to move seamlessly from production to pallet to shelf—minimizing touchpoints, maximizing visibility, and reducing in-store labor.

EFFICIENCY BUILT IN

Reduce Labor: Smart structural features make setup and restocking faster and simpler.

Maximize Space—Optimized designs ensure efficient stacking, tight facings, and consistent appearance.

Protect the Brand—High-quality graphics and durable materials preserve shelf appeal from first unit to last.

Boost Sales—Clean, retail-ready presentation encourages trial and repeat purchase.

EXPANDED CAPABILITIES BEYOND CARTONS

While folding cartons lead the way, Fortis offers a full range of complementary packaging formats to meet every retail-ready need:
