

## SHRINK SLEEVES

# COMPREHENSIVE SHRINK SLEEVE PACKAGING SOLUTIONS

Fortis Solutions Group offers premium shrink sleeve packaging designed for maximum 360-degree branded shelf appeal, durability, and sustainability. Brightly-colored shrink sleeves integrate container shapes and graphics providing striking packaging. They are cheaper than direct to can printing and scuff resistant, unlike preprinted containers.

### MARKETS FOR PRODUCT LINE

Our shrink sleeve solutions provide high-quality, innovative materials and enhanced functionality to diverse industries:

**Food & Beverage** - Fully FDA and food safety compliant packaging options for bottles, cans, and containers.

**Health & Beauty** - Secure, high-quality shrink films for supplements and nutraceuticals.

**Personal Care** - Vibrant, customized sleeves with special finishes for enhanced appeal.

**Household & Industrial** - Durable solutions tailored for chemical-resistant and high-performance packaging.

## WHY CHOOSE FORTIS SOLUTIONS GROUP?

### Custom & Sustainable Solutions

For eco-conscious packaging, we offer renewable resources, APR-recognized films, and specialty finishes.

### Flexible & Scalable Production

Solutions tailored to your business needs, from small runs to high-volume production.

### Dedicated Support & Expertise

Industry-leading customer service with in-house technical specialists.

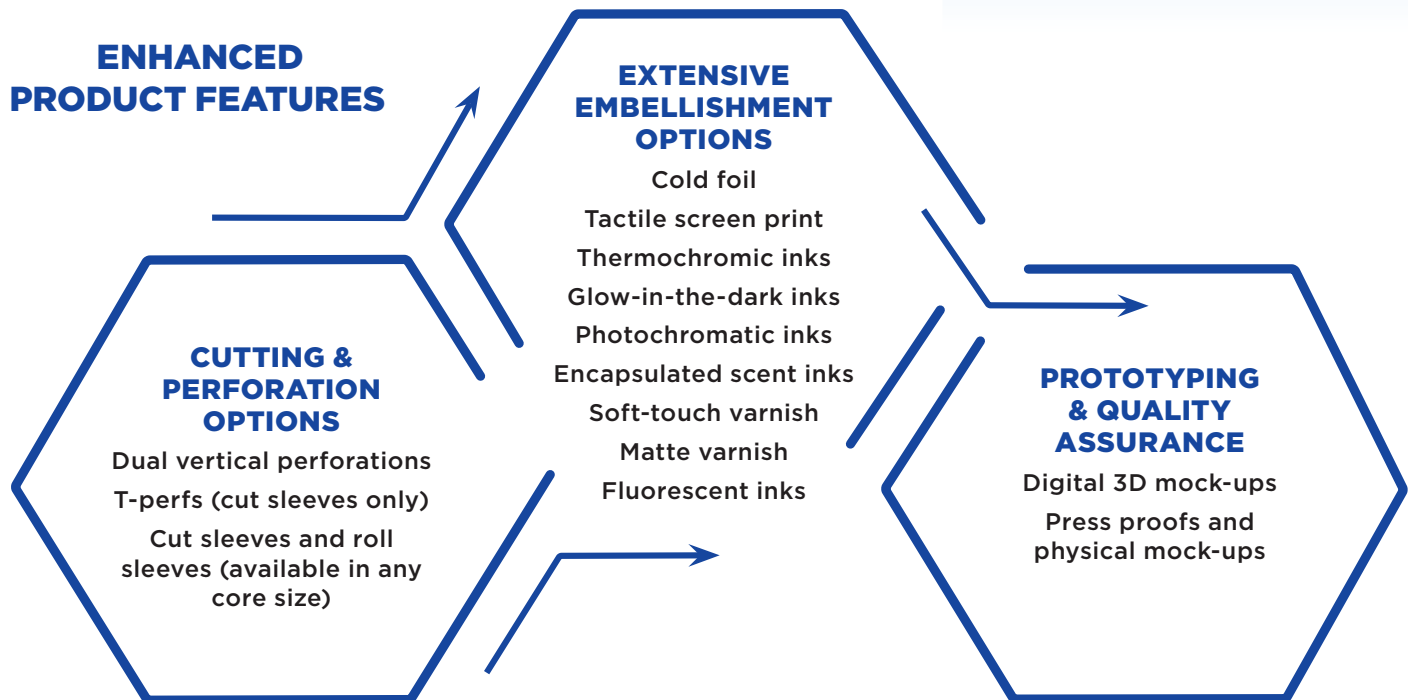

## INNOVATIVE MATERIALS & SUSTAINABILITY

Our shrink sleeves are printed using narrow and mid-web technology, available in both UV and water-based inks. We offer a full complement of shrink films to conform to various applications, including:

### Renew Line, featuring two APR-recognized technologies:

**Cpet** - Designed for increased recyclability and sustainability.

**Magnomer** - Advanced magnetizable inks for efficient recycling.

## TECHNICAL & SUPPORT SERVICES

**Application Support** - In-plant and virtual support available for most shrink tunnels and applicators.

**Redundant Capabilities** - Operating across four shrink-producing plants, ensuring reliability and consistent supply.

**Co-Packer & Contract Manufacturer Expertise** - Fortis Solutions Group specializes in collaborating with co-packers and contract manufacturers, streamlining packaging solutions for large-scale production.
