

ELEVATE YOUR LABEL CAPABILITIES

ZT600 SERIES INDUSTRIAL PRINTERS

Built to Perform, Built to Last

Maximize uptime with printers engineered for nonstop performance. The ZT600 Series is built with rugged steel construction that stands up to years of heavy use—even in harsh industrial environments with extreme temperatures, dust, and debris. When the work doesn't stop, your printer won't either.

Effortless Setup, Intuitive Control

The ZT600 Series is designed with the user in mind. Featuring a 4.3-inch full-color touch display and easy-adjust printhead pressure toggles, setup is simple and adjustments are quick. Whether you're changing settings or troubleshooting, everything you need is right at your fingertips.

Ready for What's Next

Stay ahead of the curve with built-in flexibility. The ZT600 Series offers two communication slots, a field-installable RFID encoder, versatile media-handling options, and dual USB host ports for seamless plug-and-play integration—making it easy to adapt as your business and technology needs evolve.

ZT400 SERIES INDUSTRIAL PRINTERS

Built Around Your Business

The ZT400 Series combines powerful connectivity, smart management tools, and flexible support to keep your operations running smoothly. With factory and field-installable options like RFID, linerless printing, and media handling, you can easily customize your printer to fit your workflow—now and as your needs grow.

Designed for Easy Operation

Simplify daily tasks with intuitive design. The ZT400 Series features lighted, color-coded, side-loading supply paths for quick and easy media and ribbon changes. Tool-less printhead and platen roller replacement ensures minimal downtime—keeping your operations moving without missing a beat.

Built to Evolve with You

The ZT400 Series is engineered for today's demands—and tomorrow's opportunities. Easily upgrade in the field in just minutes with options like RFID for enhanced tracking and visibility, or switch to linerless printing to improve efficiency and support your sustainability initiatives.
